President
American Association of Physicists in Medicine
One Physics Ellipse
College Park, MD 20740-3846

Dear Dr. Seibert:

In response to the American Association of Physicists in Medicine's request for a letter of support for medical physics licensure, the American College of Radiology is pleased to support medical physics licensure in order to improve the quality of radiation oncology and medical imaging care in the United States.

Please let us know if we can be of any further assistance.

Sincerely,
